

# A Dollar A Day

NBDS, Inc. Scholarship program

NBDS, Inc. aims to meet the needs of the community by providing adequate care and services to pregnant teens and teen mothers. Often times, those in need are unable to receive the care they need due to lack of financial assistance. It is the goal of NBDS, Inc. to provide a scholarship for those individuals that seek our services but does not have adequate funding.

In order to do so, NBDS, Inc. needs your help! With a minimum of \$1 per day for one year, you can help NBDS, Inc. provide these services to teens in our community. This program is designed to assist teen mothers and pregnant teens during the admissions process of our program which includes the following services:

- Prenatal and Postnatal Care
- Parenting Skills
- WIC Services
- Simulated Parenting Training
- Postpartum Depression Management
- Behavior Management
- Educational Services
- Vocational Training Skills
- Child Care Services
- Second Time Prevention
- Independent Living Skills
